

Checklist of Required Documents.

- This completed form
- A copy of the passport biography page for each dependent
- Financial documentation
- For spouse dependents, a marriage license with English translation; for child dependents, a birth certificate with English translation

You will receive an email notice when the I-20s are ready. OISS will issue a new I-20 for the student, which includes the updated financial information, and a new I-20 for each dependent. Spouses may sign their own I-20 on the bottom of the first page. Students may sign on behalf of their children at the bottom of the first page. As with student I-20s, dependents must carry their I-20s with them when travelling and should request a travel signature if none appears on the bottom of the third page or if the signature will be more than a year old upon return from abroad.
