FALL 2018

AUGUST 1, 2018

Welcome Back! Accepting Applications for Fall 2019

The Fall 2019 application is now open! Students are invited to fill out a paper application in our office or submit an Apply IU shared application online. With Apply IU, students are able to complete just one application and direct it to all IU campuses that interest them.

The application fee for Apply IU ranges from \$35 to \$65, depending on the campus and program students choose. Deadlines vary among IU campuses. IU South Bend application fee remains \$35 and can be paid by credit card or eCheck. A fee waiver is available to eligible students. For details, please contact an admissions counselor.

The Apply IU Online application is different from the Common Application. IU South Bend does not accept the Common Application.

Students can access the online Apply IU App from any web browser by visiting:

<https://admissions.iusb.edu/apply/apply-to-iu-south-bend.html>.

Onsite Admission School Visits

We are excited to continue our tradition of waiving application fees, making on-the-spot admission decisions, and awarding the \$500 Titan Scholarship to eligible students during our fall and spring school visits.

If you would like to schedule a date and time for us to come to your school for an Onsite Admission Day or a presentation, please e-mail Marina Vuksanovic at mokopnai@iusb.edu.

Visit our website to check when an IU South Bend Admission Counselor will be in your area: <https://admissions.iusb.edu/on-the-road/index.html>.

Titan Explorers

The IU South Bend Office of Admissions offers group tours for students in grades 3 through 8.

Young students, together with their teachers and chaperones, are invited to begin laying the foundation for earning a college degree.

The tours will introduce students to our degree programs, campus layout, and resources for academic development and support.

Free Transpo Bus Service

Beginning August 6, IU South Bend students, faculty, and staff can ride South Bend Public Transportation Corporation (Transpo) buses to and from campus for free. The program is an effort to increase access to a college education at IU South Bend by helping with the transportation needs that some people face in South Bend and Mishawaka.

“I hope students, faculty and staff will take advantage of this program,” said IU South Bend Interim Chancellor Jann Joseph. “It can save money, improve parking on campus, and reduce emissions from vehicle traffic.”

Bus service is available Monday through Saturday with 20 routes serving the cities of South Bend and Mishawaka.

The program is in place through December 31, 2018 when it will be evaluated with the option to extend. Transpo currently stops at IU South Bend on Mishawaka Avenue between the Administration Building and Wiekamp Hall. For detailed information about Transpo routes go to www.sbtranspo.com

International Students at IU South Bend

Indiana University South Bend has a long tradition of welcoming international students to our learning community. The Office of International Student Services (OISS) advises and guides students through the admissions process, reviews international credentials, supports students through connecting them to peer mentors, student counselling, and members in the community. The OISS provides programming for students and ensures their successful adjustment on campus.

IU South Bend was one of the first institutions to support international students and internationalization across our community through the #YouAreWelcomeHere video campaign to affirm that we promote a friendly and safe environment committed to diversity and student development.

Encourage international students to attend Onsite Admissions Days at your high schools and schedule a visit to IU South Bend. Stay tuned for a separate invitation to an International Student Luncheon with your international students during the International Education Week, November 12-16, 2018.

Please contact Marina Vuksanovic at mokopnai@iusb.edu for more information.

IU South Bend Partners with RaiseMe

To help high school students in grades 9-12 visualize their progress toward IU South Bend scholarships, we have assigned dollar amounts to common high school achievements and college prep activities.

Students are encouraged to use RaiseMe to record their accomplishments and see how they are adding up to potential IU South Bend scholarships. Students can earn awards for grades, test scores, leadership positions, community service, and extracurricular activities that prepare them to succeed in college. The final RaiseMe total will be included in students' financial aid packages after they are admitted and their academic achievements, such as grades, courses taken and test scores, are verified through the admission process.

Students can also fill in their high school portfolio retroactively with achievements going back to the start of the 9th grade. Visit our website to learn more: <https://admissions.iusb.edu/raiseme/index.html>.

IU South Bend Athletics

There is a lot to cheer about at IU South Bend! The Titans play in the Chicagoland Athletic Conference of the National Association of Intercollegiate Athletics Association.

The Student Activities Center on campus is home to the Titans. It is a 100,000 square foot facility that offers a state-of-the-art fitness center; three-lane running track; five court areas; three racquetball courts; group fitness room; full-service locker rooms; popular game area, featuring billiards and table tennis; a student lounge; and the Courtside Café.

Men's sports include basketball, baseball, cross country, golf, and tennis.

Women's sports are basketball, cross country, golf, softball, tennis, and volleyball. IU South Bend also offers coed competitive cheer.
