9 – 10:00 a.m.
Underrepresented minority students
What’s New at IU South Bend

Health Sciences Concentration - Speech Language Pathology

The Dwyer College of Health Sciences has a NEW concentration in the Health Sciences bachelor degree: **Speech Language Pathology**. This new program is starting in the Fall of 2017.

Upon completion of the program, students will be able to apply to a Master of Science in Speech Language Pathology (SLP) program, which is required for a licensure as a Speech Language Pathologist. With the bachelor’s degree, students can become an assistant to a Speech Language Pathologist, behavior management technician, case manager, social service assistant, medical sales related to speech language issues, or gerontology aid.

With a graduate degree, here are career statistics:

In 2015, according to the Bureau of Labor Statistics, for a master-degree prepared professional:

- The median income was $73,410/year
- The job outlook is growing much faster than average (21% faster than other jobs!)

The American Speech-Language-Hearing Association (ASHA) is an excellent resource for information about the profession, certification, and career potential. [http://www.asha.org/](http://www.asha.org/)

Riverside Hall Renovation

A $4 million renovation to Riverside Hall will begin April 2017 to become the hub of health science programs, classes, and health care for students, faculty, staff, and community residents.

The project will refurbish and modernize more than 11,000 square feet, equipped with fully updated clinical space, laboratories, radiology equipment, a pharmacy, classrooms, and office. IU South Bend Health and Wellness Center will also be relocated to Riverside Hall.

Students and faculty in Dental Hygiene, Nursing, Radiography, Clinical Lab Sciences, and other health professions will have expanded opportunities to work directly with patients.

**Chris Weingart**  
Admission Counselor for Transfer Students and High School Dual Enrollment  
cweingar@iusb.edu

**Marina Okopnaia**  
Assistant Director International Student Services & Admissions  
mokopnai@iusb.edu
MSEP (Midwest Student Exchange Program)

The Midwest Student Exchange program was established by the Midwestern Higher Education Compact to increase interstate educational opportunities for students in its member states. The program enables legal residents of Illinois, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, and Wisconsin who are admitted as nonresident students to enroll at IU South Bend at a reduced cost.

Award:

Students from partnering states coming to IU South Bend will pay 150% of the in-state resident tuition rate. This is the in-state tuition rate plus 50% of the in-state rate.

Criteria:

Students must be enrolled as a nonresident, degree-seeking student to receive the credit. No application is needed; the reduction will be automatically posted for eligible students. Eligibility is based on the student’s address at the end of the first week of classes. Students who move to participating MSEP states during the semester will need to update their permanent home address to receive the credit during the next semester they are enrolled.

Note: Deferred Action for Childhood Arrivals (DACA) or undocumented students that are classified as nonresidents are not eligible for the MSEP Award.

Chancellor’s Merit

The Chancellor’s Merit Award will reduce the nonresident tuition rate to a rate of \( \text{in-state tuition rate (}$213\text{)} + 40\% \text{ per credit hour} \). Awards require continuous enrollment in fall and spring semesters, a minimum of half-time enrollment (6 credit hours) during the fall and spring semesters, and the successful complete of at least 18 credit hours during the academic year (Fall, Spring and Summer).

The Award is intended to promote the enrollment of high ability students at IU South Bend pursuing their first bachelor’s degree. To be considered for a Chancellor's Merit Award, students must meet the criteria listed below:

- Graduate from a U.S. high school or state recognized home school program with a college preparatory curriculum,
- Have a minimum 3.0 cumulative grade point average (GPA) on a 4.0 scale,
- An SAT critical reading and math combined score of 950 or higher (21 or higher composite score on the ACT), and be formally admitted without condition (students will not be reviewed until they have been granted full admission status),
- Indiana House enacted HB 1402 and SB 590 prohibits students that are not U.S. Citizens or a qualified alien from receiving institutional scholarship funds. Students that do not meet these criteria will not be eligible for the scholarship.

There is no application, the scholarship is awarded automatically!

Titan Awards

Titan Gold Award (total value up to $6,000):

A maximum annual Titan award of $1500 will automatically be offered to students accepted to IU South Bend with a GPA of 3.5 and above with an old SAT score of 1000 (math and critical reading scores) or a new SAT score of 1080 (Evidence-Based Reading and Writing+Math) and above or ACT equivalent.

Titan Silver Award (total value up to $3,000):

A maximum annual Titan award of $750 will automatically be offered to students accepted to IU South Bend with a GPA of 3.0 or higher and an old SAT score of 950 (math and critical reading scores), or a new SAT score of 1030 (Evidence-Based Reading and Writing+Math) and above or ACT equivalent.

Titan Onsite Award (total value up to $2,000):

A $500 annual Titan award will automatically be offered to a student with a GPA of 3.0 or higher when they apply during a high school visit by IU South Bend admissions counselors. Students receiving this award will be reviewed and moved to a higher award amount if the additional GPA and test score criteria is met as outlined above.

**Students MUST be admitted by March 10th in order to automatically receive a Titan Award**

Titan awards are automatically renewable for an additional three years when a student maintains a minimum 2.8 GPA, enrolls full-time each fall and spring term, and completes 30 credit hours in the award period (fall, spring, and summer)!

New Immunization Protocol in Fall 2017

**What:** Students entering IU South Bend in Fall 2017 will be required to complete an immunization form and then upload a copy of the official supporting documentation. Exemptions will be granted under certain circumstances.

**Who:** All students, including dual-enrolled high school students, undergraduates, and graduates, who are participating in on-campus course work must complete the form by the end of the first semester of enrollment. ACP students are exempt this requirement.

**How:** Students should obtain a copy of their immunization records from their family physicians or in consultation with the Public Health office in the county or state of record.

**Where:** Students will complete the form online via their One.IU accounts.

**Why:** To promote a safe environment for all IU students throughout the state.

The Office of Admission will return to the Administration Building located on Mishawaka Avenue by April 1st!
