

## Who Is Eligible To Apply

If you are an IU South Bend graduate or undergraduate student in F-1 or J-1 status, you may apply for this scholarship if you meet the following requirements:

- You will have been enrolled full-time for at least one year at the time the award is made.
- You are currently enrolled full-time in a degree program.
- You are maintaining a 3.0 grade point average.
- You are maintaining legal F-1 or J-1 visa status. Permanent Residents ("Green Card" holders) and other nonimmigrant visa holders are not eligible for this grant.
- You are assessed tuition at the out-of-state rate.

## What criteria are used when selecting grant recipients?

Preference is given to students who have made efforts to find other sources of support, such as work on campus or working off campus under the Severe Economic Hardship Employment Authorization.

## What is the amount of the fee remission scholarship?

The amount of the fee remission scholarship is a percentage of the nonresident undergraduate or graduate credit hour. The maximum fee remission covers 12 undergraduate and 9 graduate credit hours. However, **amounts may vary** since limited funds are available and we are trying to help as many students in need as possible. Even so, we are unable to meet the needs of all students. No single award is intended to cover the total tuition costs of a student, nor are the funds available to support the needs of dependents. Applicants are encouraged to consider this award along with other ways to meet their needs.
